

# NSS ACTIVITY REPORT 2017-18

NSS TKMCE

UNIT NOs. 174 and 262

TKM COLLEGE OF ENGINEERING, KOLLAM

Editing in progress...

- **District level workshop of GENSIS**

A two day District level workshop of GENSIS (Gender Equality Through National service Intervention Scheme) was conducted by the the NSS technical cell at SHM engineering college, Kadakkal , Kollam on 11 and 12 May 2017. Eight NSS volunteers from TKM College of Engineering, Kollam participated in the camp.

Through his interactive sessions and tasks, Mr. Brahmanayakam mahadevan sir, Official trainer of NSS Technical cell, Kerala, familiarised the students with the concepts of gender equality. The volunteers were trained to practice and consider gender equality in all their daily activities. The workshop also helped the students to improve their time management skills, public speaking skills, team spirit and leadership qualities. The camp was productive and a great experience for the volunteers.

★ World Environment Day (WED) on June 5th 2017

Environment is very essential in every aspect of our life. As Margaret Mead once said "We don't have a Society if we destroy the environment". All the components required for the survival of organisms are gained through this environment. Keeping this in mind the NSS Volunteers of TKMCE celebrated World Environmental Day on 9th and 10th of June 2017 under the theme " Water Conservation and Afforestation". The Volunteers cleaned the College premises and planted almost 70 saplings and dugged 3 Rain pits in the for the same. They also planted saplings in around 20 houses near the College.

Moreover a total of around 60+ Rain pits were taken up by the Volunteers in their Houses in different parts of the state during the month of May so that Monsoon Rainwater can be collected effectively.

Since environmental issues are causing terrible issues on biosphere, it's the responsibility of each and everyone of us to protect our mother earth, rather than thinking others will do it.....

NSS TKMCE celebrated Environment Day as different phases. First of all, on 9<sup>th</sup>& 10<sup>th</sup> of June 2017, under the theme “Water Conservation and Afforestation”, volunteers cleaned the college premises and planted almost 70 saplings and digged 3 rain pits in the campus. Also saplings were planted in around 20 houses near the college. Volunteers engaged themselves in the initiative to dig 60+rain pits in their houses.

**"An Adult can Assist in shaping the Environment but it is the Child that perfects his own being "**

As a part of the Environment Day celebrations, the NSS volunteers of TKMCE also spend a day with the children of Harijan school. Awareness classes to instill a feeling of belongingness toward mother earth were taken and at the end of the session, the Volunteers along with the Students and faculty planted Saplings within the school premises. It's true that to solve a crisis we need to focus on the root. The Foundation!!!. We are the foundation.. The new generation.!!! .It is up to us to take care of this planet that we have borrowed from our Ancestors to pass it on to our future generations. Lets join hands and make a difference...

### **CLEANING DRIVE: Colony at Pallithottam, Kollam 18/6/2017**

The NSS TKMCE and UNAI TKMCE units joined hands with local Government Organizations to fight against the dengue causing filthy conditions of a colony at Pallithottam, Kollam. The program was scheduled on 18th June 2017. On this day , all the day scholars as well students from Trivandrum, Pathanamthitta, Kottayam and Alappuzha took part in the program. The NSS volunteers of Bishop Jerome Institute of Technology, Kollam also joined.

On 18th June, the volunteers were assembled on the beach auditorium at about 9am. There were about 20 volunteers from TKMCE and about 20 volunteers from Bishop Jerome Institute. From there , the volunteers reached Pallithottam at about 10am. The NSS coordinator of Bishop Jerome Institute as well as the ward counsellor of Pallithottam and our senior volunteers gave the necessary guidelines.

First assignment given to the volunteers was to clean the beach area near the colony. The work started by removing all the non biodegradable wastes , plastic bottles, cans

,glass, etc. Plastic containers and wrappers which breed mosquitoes are destroyed. A JCB machine was used to clean the rest of the area. The volunteers were provided with gloves and drinking water .

At about 1pm lunch was provided which was arranged at the nearby church. About 3pm the work was restarted. The program was wound up at 4pm.

★ 19th June 2017: Readers day

A reading and review writing competition is conducted in the title of “**Mashithandu**” for the college students in the state level and a reward of Rs 2000 is announced.

★ 3rd International Yoga Day June 21st 2017

Every year The International Yoga Day is celebrated on June 21st. Yoga is a Physical, Mental, and/or Spiritual practice. Yoga has immeasurable benefits. Physically, Yoga

has been shown to improve flexibility, posture, and balance; strengthen bones; and increase muscle strength. As a part of the International Yoga Day, NSS TKMCE conducted a yoga session. The session was inaugurated by Programme officer Prof.Sharos.H. In his inaugural speech, he insisted on the importance of positive attitude in our day to day tensed and busy life. He also emphasized the role of yoga in achieving positiveness. The session was conducted by one of the former NSS volunteer, S Akhil. Yoga like Sudarshan Kriya, Kanishtha Pranayam, Bhastrika Pranayam were practiced. It was a calming and soothing experience for the volunteers. The yoga session instilled a peace of mind to all the participants. The volunteers who attended the same were instructed to pass on the techniques they practiced and the knowledge they gained to their classmates, friends and family. Through this small session conducted to our volunteers, the importance of yoga could be easily passed on to the society. The program was a good initiative to spread the essence of Yoga.

### **PUNARJJANI – FELICITATION 01/07/2017**

The NSS unit of TKM College of Engineering, unit no 174 and 262 were felicitated based on the commendable efforts done by the Units for the PUNARJJANI programme under National Service Scheme Technical Cell at AA Rahim Memorial Government Hospital,Kollam during December 2016.

The programme was conducted at P.W.D. Rest house , Pathadipalam, Ernakulam. Honorable minister Dr.Thomas Issac presented the Memento to the Principal Dr.S.Ayoob.

Programme officers Prof.H.Sharos , Prof Shan S. and Assistant Programme Officer Prof. Hudha Abdul Salam, Volunteers Miss Anjitha, Mr.Afsal Muhammed and Hari Krishnan were attended the function. Certificates for the volunteers were also distributed during the function.

Earlier, Around 100 Volunteers took part during the camp conducted at Anchalumood Government High School from 24th to 30th December 2016. Volunteers were able to present the District Hospital, Kollam with a new face through Punarjani, a novel venture under NATIONAL SERVICE SCHEME TECHNICAL CELL, being envisaged to get rid of the situation where the basic facilities of Government hospitals are being limited due to lack of proper maintenance. The Program was a great success through the selfless service of volunteers with NSS TKMCE being able to create an asset worth Rs. 33.5 lakhs by repairing different hospital equipment. The programme was conducted as a part of Nava Kerala Mission of the Government of Kerala, which lays its prime focus on sustainable development.

**പുനർജനി പദ്ധതി: ടി.കെ.എം എൻജിനീയറിങ് കോളജിന് അംഗീകാരം**

**5/7/17: Awareness Campaign on Monsoon Diseases : For School students at Opits Academy, Kilikolloor.**

**NSS Technical Cell State Annual Meet and Award Ceremony**

**Date: 7<sup>th</sup> and 8<sup>th</sup> July 2017**

**Venue: Vidya Academy of Science and Technology, Thalakkottukara, Thrissur.**

The State Annual Meet and Award Ceremony 2016-17 of National Service Scheme Technical Cell was held at Vidya Academy of Science and Technology, Thalakkottukara, Thrissur on 7<sup>th</sup> and 8<sup>th</sup> July 2017, under the auspices of the Directorate of Technical Education Kerala. Four students from TKMCE, Mr. Jibin Jose and Ms. Ashmy Achu Shinu representing unit no. 174 and Ms. Sruthi C Nair and Mr. Harikrishnan representing unit no. 262, along with NSS TKMCE unit no. 174 Programme Officer Prof. Sharos H and NSS Best Volunteer awardee Ms. Soumya Madanan, participated in the two day meet.

After a short meeting and the registration procedures, students were allotted rooms for accommodation. The meet got underway at the Auditorium with the interactive personality development session by Mr. Brahma Nayakam Mahadevan, Director of the Genesis Programmes of NSS Technical Cell. The motivational session raised the energy level of delegates to a whole new level, after which delegates gathered for the official inauguration of the meet. The State Annual Meet was officially inaugurated by Mr. G. P. Sajith Babu, NSS Regional Director. The function was presided over by NSS Technical Cell State Programme Coordinator Mr. Abdul Jabbar Ahmad. The inaugural ceremony was followed by a session by Mr. Brahma Nayakam Mahadevan, catalysing the thinking process of students and making them discuss and come up with a myriad of ideas and projects through which they can touch the society through NSS, in an inspiring session named 'Kerala Thinking'. The presence and words of Dr. K. P. Indiradevi, Director of Technical Education, was a factor of great motivation for the student delegates. The evening witnessed a vibrant Award Distribution Ceremony, inaugurated by Honourable Minister for Agriculture of the State of Kerala, Mr. V. S. Sunil Kumar and presided over by Dr. K. P. Indiradevi. The Minister congratulated NSS Technical Cell for showing the society the extend up to which a thoughtful group of young technocrats can do for the betterment of the nation, especially through programmes like Punarjjani and Visha Rahitha Vishu. Mr. Nizam Rahman, Mr. V.M. Shamsudden, Mr. K. A. Khalid, Mr. K.P.Rajeevan, Mrs. A. S. Chandrakantha, Mr. Justin Joseph and Dr. Sudha Venugopal also addressed the students. In the Award Distribution that followed, the Minister gave away Awards for the Best Units, Special Appreciation Awards for Punarjjani and Visha Rahitha Vishu, Awards for the Best Volunteers, Awards for the Best Programme Officers and Merit Awards for ex-volunteers. NSS TKMCE was awarded a Special Appreciation Award for the Punarjjani Programme, which was received by NSS TKMCE Programme Officer Prof. Sharos H. Former Volunteer Secretary of NSS TKMCE unit no. 174 Ms. Soumya

Madanan received the Award and Certificate for the Best Volunteer from the Minister. The day was wound up after the cultural programmes conducted by volunteers of Vidya Academy.

The second day began with the morning assembly and exercise. Mr. Samuel Chellaiyah, NSS Regional Director of Tamil Nadu Region lead the first session of the day, “I can”, through which he illustrated the ten rules of success through real life examples. Dr. Nizam Rahman, Technical Consultant of NSS Technical Cell Kerala lead a session for the delegates, in which students were asked to discuss with students from their districts and come up with project ideas. The Annual Meet was drawn to a magnificent close with the valedictory ceremony was inaugurated by Mr. Samuel Chellaiyyah, and presided over by Mr. Abdul Jabbar Ahmad. NSS Units who conducted different state level and district level programmes in 2016-17 were awarded during the function. NSS TKMCE was awarded a Special Appreciation Award for conducting District Level Young Energy Auditor’s Workshop, NEST 2016 during April 2016.

**27/7/2017:APJ Kalam's 2nd death anniversary :**

**27/7/2017 Meeting at C kesavan Memorial town Hall, Kollam Related to the Onam Celebrations.**

**29/7/2017:One day workshop on Energy Conservation Practices at EMC,TVM**

**02/08/2017 SWACHHTA PAKHWARA (01-15th August, 2017)**

As a part of the SWACHHTA PAKHWARA, an initiative by Central Government, observing as a part of Independence Day, the NSS UNITS of the College, as first program for the Initiative, Cleaned their College Premises . The Volunteers were divided into groups and were asked to clean up their respective department which includes Classrooms, Laboratories, libraries etc. They were also asked to keep the college premises neat and clean as much as possible.

#### Cleaning of Kollam KSRTC Bus stand Premises

No lake was poisoned when it was created, no building was dirty when it was built, no place was unhygienic when it was discovered. When science and technology has led the world forward in all dimensions, there are some areas in which we should go back. As part of Swachhta Pakhwada, NSS TKMCE did a small part in it at the public Library and KSRTC Bus Stand Kollam, taking these places a little back from the tags of untidy and unkempt. Though it took one long and hard day for the volunteers, the results were, as always, satisfying!

**05/08/2017 Survey at Adopted village (MEKONE)**

**A General Survey was conducted by the NSS VOLUNTEERS at the Adopted village MEKONE , KOLLAM. The Volunteers were split into groups, and surveyed 50 plus houses in the Village.**

Details about issues regarding Health, Education, Financial and Environmental conditions of the residents were collected. PAMPHLETS were also distributed to create an awareness about Monsoon diseases and their prevention. The survey data was analysed and the grievances of the villagers will be brought to the attention of the Panchayath Member. We have also agreed to provide technical as well as man power to the residents as need arises.

## **05/08/2017 Awareness class on Monsoon diseases at Optics Academy**

**Monsoon Awareness 9<sup>TH</sup> AUGUST**

NSS volunteers of TKMCE (Units 174 & 262) conducted a Monsoon Awareness class for the +1, +2 students of OPTICS ACADEMY, Karicode on 06/08/2017. The 45 min session was taken by NSS Volunteer Mr. Thejus S of M3. The class mainly focused on providing the students a detailed awareness about the recently spreading communicable diseases such as Cholera & Dengue. The aim was to equip them with enough knowledge on preventive measures so that they will be able to educate the society through family and friends. We were also successful in teaching the children about the need of being socially responsible in order to prevent the outbreak of such diseases in and around their locality.

## **MEDICAL CAMP ON 13TH AUGUST 2017**

**JCI Quilon Metro JCRTC wing along with St.George Church, Kaitha Kodi and Kayalvarath Ayurveda hospital organised 'Snehasparsham', A medical camp in St.George Church on 13th August 2017.The Camp commenced with an inaugural ceremony by Dr.Jc.HGF Varghese kavalvarathu , kayalvarath hospital. 15 NSS TKMCE volunteers volunteered for the camp. They helped in setting up the camp , distributing medicines and organising the camp. The camp started at 11 and ended successfully by 1:30. Around 70 people attended the camp.**

### **8/08/2017 Meeting related to the Onam Celebrations at Mayor's Chamber.**

APO Prof. Huda Abdul Salam attended the meeting at 3.00 pm at the Mayor's Chamber and decided to participate in the Onam Procession planned on 31st August Thursday.

### **10th August to 21st August 2017: National Integration Camp**

Volunteer Mr. Vishak V of TKMCE unit 174 participated in the National Integration Camp organized by the NSS Regional Directorate Ahmedabad at Vishwakarma Government Engineering College, Chandkheda, Ahmedabad, from 12.08.2017 to 18.08.2017. A team of 9 NSS Volunteers (4 male and 5 female) and a Programme Officer participated in the Programme from tech cell representing Kerala State.

**Congratulations!**

Vishak V (E5) for having selected for the **NATIONAL INTEGRATION CAMP** Organized by **NATIONAL SERVICE SCHEME** from 12<sup>th</sup> August to 18<sup>th</sup> August at **AHMEDABAD, GUJARAT**. He is the one among the 9 selected NSS Volunteers from all over Kerala, Who are going to represent our State at the National Integration Camp.

NSS TKMCE wishes him All the Best and Happy Journey

The Hands weren't that skilful, but the minds were.

The hands weren't that strong, but the minds were.

The hands weren't that inviolable, but the minds were!

Though the aim of an asset worth 50 lakhs seemed almost impossible, when the matchless zeal and Dedication of volunteers made them more skilful and stronger, we didn't just finish, we 'FINISHED AHEAD'!

NSS TKMCE takes immense pleasure in letting you know that, through the PUNARJJANI 7-day special camp conducted from 2nd to 8th September 2017 at District Hospital Kollam, Hospital equipments worth rupees 53 lakhs were given a rebirth at the hands of volunteers. It sure is the result of a lot of sweat, and NSS TKMCE congratulates each and every one who has been a part of this camp, in ways small or big.

Yes, magic happens when we believe!

- **NSS DAY CELEBRATION SEPTEMBER 24th 2017**

**Accident and Emergency Management Training**

The NSS Day was celebrated with pride and joy by the volunteers today at TKMCE. The celebration started with flag hoist by Prof. Shan, Program officer of NSS TKMCE. He talked to the volunteers about the purpose of being an NSS volunteer and giving back to the society.

Sujina S Babu, The Pride Volunteer of NSS family, who won the Bronze Medal at the National Paralympic TaeKwondo Championship was congratulated and given a token of appreciation.

Later in the day, An Accident and Emergency Management Workshop was organized for the students of TKMCE. Mr.R.Sarath Chandran, Motor Vehicle Inspector began the workshop by explaining the importance of Road safety and defensive driving . The volunteers were given hands on experience in how to give CPR and Heimlich Maneuver under the supervision of Dr. Adhura Das, the Head of Emergency Medicine at Holy Cross Hospital ,Kollam. The Volunteers who participated expressed confidence in the fact that they will be able to help an accident victim and even save a life which showcases the effectiveness of the workshop.

**MEGA BLOOD DONATION CAMP -OCTOBER 2017**

Every year our state witnesses 39 thousand accident cases injuring 44 thousand humans. Some injuries minor, some fatal. In most cases bystanders need to arrange several units of blood within minutes just to keep the patient alive. It is sometimes this very act that keeps the patient alive. Same applies to patients undergoing major surgeries for critical ailments.

So as \_an initiative of Sukrita'17\_, STEPS and NSS TKMCE Organized a Mega Blood Donation Drive to meet the total blood requirements of Kollam district hospital during October. The drive was being organised upon the request of the Kollam District Hospital Blood Bank. Kollam requires approximately 500-600 blood units in October. The mega blood donation drive was aimed at achieving this target.

The camp consisted of 6 phases that took place within a period of 3 weeks and every week we saw two camps, and thereby two phases. HDFC bank had graciously agreed be our sponsor for this initiative.

We will all be around to see a lot of births, deaths and other life changing moments but no feeling will come close to knowing that you are the reason someone, somewhere is now experiencing this privilege called life.

we are proud that a total of 450 units of blood was able to collect during this initiative.

## **LETTERS OF LOVE**

**DATE** : 31/12/2017 - 1/01/2018

**VENUE** : ONLINE

**DURATION** : ---

**CATEGORY** : COMMUNITY

**NO OF BENEFICIRIES** : 10

## **BRIEF REPORT**

A letter of love is a humble attempt at spreading smiles across refugee children, every New Year. It is a token of hope, personalized with your happy photograph and warm message, written by hand in English and doodled with colors, that expresses solidarity with these children who bear the brunt of war they certainly didn't start. This year, NSS TKMCE had taken a humble initiative to share happiness and spread smiles; all it takes is your one happy picture and a message from your heart! This New Year, your smile may trigger many more smiles and your words may trigger many better thoughts as it did last year to the kids in Syria.

## **9/1/2018- 19/01/2018: 22nd National Youth Festival at GBU Campus, Greater Noida, Uttar Pradesh.**

Our Volunteers SreeHari and Shibila attended the national youth festival representing the NSS techcell and PO Prof. Sharos .H was the contingent leader of the kerala team.

NATIONAL YOUTH FESTIVAL was held from 12th January to 16th January 2018 at Greater Noida Uttar Pradesh.It was a different experience for the participants. This annual gathering of youth all over India was organized by Ministry of Youth Affairs and Sports,Government of India to commemorate the birth anniversary of youth icon Swami Vivekananda.In this 22nd NYF the Volunteers from Nehru Yuva Kendra Sangathan and National Service Scheme were actively participated.

The activities of festival include competitive and non-competitive cultural events, exhibitions, intellectual discourses, seminars, voice of new India and the most attractive Youth Parliament, which introduced first in National Youth Festival.

Venue GAUTAM BUDDHA UNIVERSITY spread in a sprawling 511 acre campus.It has ultra-modern infrastructure including several auditoriums,conference and seminar halls.Indoor and outdoor sporting events are also held during National Youth Festival.

We started our journey from Ernakulam Railway station at 11.30 pm on 9th January 2018.

80 Volunteers from NSS TECHNICAL CELL, MG UNIVERSITY, CALICUT-KANNUR UNIVERSITY and HSS-VHSE Sections together as Kerala-Lakshwadeep team. On 12th morning we reached UP. We enjoyed together and have mingled with each other. Prime Minister Shri Narendra Modi Inaugurated the event through video conference and also addressed the gathering. The youth Awards were distributed by Chief Minister of Uttar Pradesh Shri Yogi Adityanath. It was a big platform for us to showcase our talents. The theme of the festival is 'Sankalp Se Siddhi', to capitalize on the demographic dividend of young India, to capture the vibrancy and fresh perspective of youth and to pledge to accomplish the Goal of New India. The Festival also provides an arena, by creating a Mini-India, different tradition, different cultural and social uniqueness. We learned and shared our culture and social uniqueness.

The Youth Parliament made us aware about governmental initiatives and provided a platform for us to express our idea for making a new India. The Volunteers all over India showcase their cultural talents in the evening sessions. Voice of New India is an experience Sharing Platform for the Volunteers from different Organisations. We get aware about the problems faced by people all over India and how they face their situations, their struggling and winning from all their difficulties. Our volunteers performed well when they got an opportunity to participate in both VOICE OF NEW INDIA and YOUTH PARLIAMENT. The motivational speeches and classes on IAF are conducted by well known dignitaries. The campus was extraordinary and food and accomodation were also good. We enjoyed a lot and it also helped to improve our communication skill and also got friends from different parts of India. The Volunteers from Nehru Yuva Kendra kerala unit were also very supportive and jointly

participated with us in all the events. We thank NSS TECHNICAL CELL and NYK for their support and selected us to participate in such an auspicious event.

## FIRST YEARS' ORIENTATION

**DATE** : 14 /01/2018  
**VENUE** : CAMPUS  
**DURATION** : 6HRS  
**CATEGORY** : CAMPUS  
**NO.OFBENEFICIARIES** : 150

## **BRIEF REPORT**

The first phase of orientation for the first year students was held today in the College campus. The aim of the orientation programme was to give a brief idea about NSS, its relevance, activities conducted under NSS inside and outside the campus of TKMCE. The introductory session was conducted by KOLLAM NSS District Programme Officer Sri. Godwin Benedict. He shared his experiences with the gathering. This helped the students get a general idea about the working of NSS. At the end of the session, the students were assessed based on a task assigned to them.

The next part of the orientation programme consisted of an ice breaking session. The primary aim of the session was to help the students to get to know each other and to bring out their hidden talents. This session also helped to assess their ability to work as a part of a heterogeneous team. Making a short compilation of their experiences and thoughts on campus life was something new for the students who had spent only a few months in the College.

## **ARMY DAY CELEBRATION**

**DATE** : 15/01/2018  
**VENUE** : BALIKA MANDIRAM, BALABHAVAN  
**DURATION** : 6 HRS  
**CATEGORY** : COMMUNITY PROGRAMME  
**NO.OF BENEFICIARIES** : 100

## **BRIEF REPORT**

The volunteers of NSS TKMCE celebrated the Indian Army day with the children at Balika Mandiram. The session started off with a talk on the importance of Indian Army and why we celebrate the Indian Army day. The children were briefed about the careers in army and how to get a job in the Indian Armed Forces. The girls were surprised to know that there was a wide variety of opportunities for women in the Indian Armed forces. The interactive session turned into a miniature career guidance class after the students kept asking questions about different career options for girls in different domains. Moreover, various motivational videos were also shown to the children's.

Later in the week a career guidance class was also taken at the Balabhavan...

## **REPAIRING OF ELECTRICAL EQUIPMENTS**

**DATE** : 21/01/2018  
**VENUE** : ADOPTED VILLAGE (MEKON)  
**DURATION** : 6HRS  
**CATEGORY** : COMMUNITY  
**NO.OF BENEFICIARIES** : 120

### **BRIEF REPORT**

The volunteers of NSS TKMCE, took a new initiative to put their theoretical knowledge to use. They went to the houses in the adopted village, Meckone and repaired the various damaged Electrical equipments including Weighing machine, Grinder, Stabilizer, Motorized pedal of Sewing machine etc... The residents of Meckone welcomed the students and were pleased to see that the student volunteers had successfully repaired majority of the damaged and useless items. The volunteers did the work for free because they believe in the fact that "PRACTICAL WORK COMPLEMENTS THEORY".

## **SUMMER DISEASES AWARENESS**

**DATE** : 22/01/2018

**VENUE : ADOPTED VILLAGE, MECKONE**

**DURATION : 4HR**

**CATEGORY : COMMUNITY**

**NO.OF BENEFICIARIES : 200**

## **BRIEF REPORT**

Summer is already in and so is the threat of developing summer diseases. But rather than wait for such diseases, prevent them by preparing in advance. It was with this aim that the volunteers of NSS TKMCE approached the residents of our adopted village - Meckone. Volunteers covered about 50 houses and distributed the pamphlets that described various summer diseases and their preventive measures. Also volunteers interacted with the residents on the importance of having a better physical health that aids the maintenance of physical health for keeping away any diseases. Residents had a better response on the initiative of the volunteers and asked to continue the same in future too.

## **NATIONAL VOTERS DAY**

**DATE : 25 /01/2018**

**VENUE : CAMPUS**

**DURATION : 3HRS**

**CATEGORY : CAMPUS**

**NO.OF BENEFICIARIES : 2500**

## **BRIEF REPORT**

In order to encourage more young voters to take part in the political process, Government of India has decided to celebrate January 25 every year as 'National Voters' Day'. It started from January 25, 2011 to mark Commission's foundation day. Volunteers along with faculties took the Voters Day pledge on Jan 25<sup>th</sup>.

#### **REPUBLIC DAY CELEBRATION and Alumni meet Volunteering**

**DATE : 26 /01/2018**

**VENUE : CAMPUS, BALABHAVAN and HARIJAN SCHOOL, KOLLAM**

**DURATION : 6HRS**

**CATEGORY : CAMPUS/COMMUNITY**

**NO.OF BENEFICIARIES : 100**

#### **BRIEF REPORT**

"Our ancestors gave us a glorious past... We need to create the future... "On the 69th Republic Day, raising this message, NSS volunteers of TKMCE took forearm for bringing up the hidden talents in children. The day started with the flag hoisting ceremony held at 8:30 am in the college. Principal Dr. S. Ayoob passed the Republic Day message to the faculties and students.

Afterwards, the Volunteers were split into two groups and were assigned their respective activities at Balabhavan and Harijan School, Kollam. As part of the talent hunt, children at school were first engaged in a drawing competition and prizes were distributed for the winners, after the same. They also performed dance and songs as a mode of expressing their happiness. Later at Balabhavan, quiz competition was conducted for the inmates. The theme of the quiz was personalities behind Indian Independence. The quiz masters were Jishnu Darsh (H4) and Aneena (E4). The quiz competition not only checked the IQ level of the students but also made them aware of the unknown facts. The authorities at both the places, expressed their gratitude and also added that they expects further cooperation and support from the volunteers in the future.

### **GREEN CARPET PROGRAMME**

**DATE** : 28 /01/2018

**VENUE** : Aashram Maidan and Adventure Park, Kollam

**DURATION** : 6HRS

**CATEGORY** : COMMUNITY

**NO.OF BENEFICIARIES** : 100

### **BRIEF REPORT**

The volunteers of NSS TKMCE today joined hands with DISTRICT TOURISM PROMOTION CENTRE Kollam under the Green Carpet programme aiming at a temporary solution for the filthy conditions existing near Ashramam Ground and Adventure Park, Kollam. A clean place is always a safe place to live. Holding this in the mind, volunteers were engaged in the cleaning activities. Beginning from the surrounding areas of Ashram maiden, the cleaning process lasted till Adventure Park covering various Government buildings like OHRC, GUEST HOUSE and parks like Ahimsa Park and finally ending at Adventure Park. The plastic and non-plastic wastes were sorted and dumped safely. Food and refreshments were also arranged by the organizers of the programme. Around 55 volunteers and DTPC organizers together did the work.

### **JAUNDICE AWARENESS**

**DATE** : **31/01/18**  
**VENUE** : **COLLEGE**  
**DURATION** : **3HRS**

## **SECOND ORIENTATION**

**DATE** : 05/02/2018  
**VENUE** : CAMPUS  
**DURATION** : 3HRS  
**CATEGORY** : ORIENTATION  
**NO.OF BENEFICIARIES** : 150

### **BRIEF REPORT**

The second phase of orientation for the first years held at TKMCE Campus on 5<sup>th</sup> February 2018 in the evening. As part of this phase, an aptitude test was conducted for the budding volunteers in order to know their talents and approach to certain situations. It also aimed at assessing how he/she could contribute after selected as an NSS volunteer. 150 students attended the aptitude test and noted their response. The test will be considered as a criterion for the selection of the volunteers. The third phase orientation is to be held soon.

## **A NEW INITIATIVE : Paper pen with seed**

**DATE** :14/02/2018  
**VENUE** :CAMPUS  
**DURATION** :--  
**CATEGORY** :CAMPUS  
**NO.OF BENEFICIARIES** : 2500

### ***BRIEF REPORT***

"Do you have an extra pen ? ".That surely is a question that we come across everyday and in almost every hour in college. The colourful pens with a pleasant aroma that is popular among us might seem to be economical. But has it ever crossed your mind the amount of waste it contributes? The seemingly innocuous ballpoint pens – we lose them more than we use them! We trash them instead of bothering to buy new refills.

\*NSS TKMCE\* brings before you an innovative initiative by an organisation \*"Handicrops"\* as an alternative for this serious issue - \*"PAPER SEED PENS"\*. Handicrop is an organisation run by the differently abled with the help of the public to encourage self-employment. These pens that serve as their source of income, don't just address the plastic menace but also contains seeds that grow into saplings when the pens are lost or thrown away after use. We request everyone to support this initiative by switching over to paper pens. Let's help bring down the usage of plastic per pen to one-fifth of a normal ballpoint pen. It is only one-fifth and not nil as the refills are still made of plastic. Hope we find solutions for that in future.

**SESSION ON ANTI DRUG AND SEXUAL ABUSE PREVENTION** at APJ hall.

**DATE** : 01/03/2018

**VENUE** : CAMPUS

**DURATION** : 3Hrs

**CATEGORY** : CAMPUS

**NO.OF BENEFICIARIES** : 160

## **BRIEF REPORT**

The interactive session on ANTI- DRUG AND SEXUAL ABUSE PREVENTION as part of Safe Kollam, a Joint venture of Kollam City Police and Lions Club at TKM College of Engineering in association with NSS TKMCE was held today. This widespread campaign was launched aiming at arresting the rising prevalence of substance abuse and other inappropriate behavior among students. Mr. Sooraj N, Assistant Sub Inspector of Kollam Special branch handled the session. As Prevention is always better than Cure, he putted in his maximum effort to convince

students on the adverse effects of the usage of drugs and other unhealthy habits that are prevailing among the youth now and bring them back from the magic world of drugs. To make the point more clear, certain video clips including the short film "Kanamarayathu" which was based on the topic was also screened. A small gift was presented to him as a token gratitude. Above 160 students attended the session. The programme succeeded in weaning the students from the use of narcotic drugs and banned tobacco products to a large extent.

## **VIJAYABHERI**

**DATE** : YEAR LONG PROGRAMME

**VENUE** : BALABHAVAN, BALIKA MANDIRAM, AASRAYA, CHILDREN'S HOME

**DURATION** : 60 HRS

**CATEGORY** : COMMUNITY

**NO.OF BENEFICIARIES** : 150

## **BRIEF REPORT**

NSS TKMCE has taken up the challenge in Balabhavan, Balika Mandiram, Aasraya, by helping the students with whatever knowledge we have. Engineers are those people who change the world. It's not only about

innovating and reducing human effort. It's also about upbringing technical knowledge to common man, especially children. VIJAYABHERI was such a programme conducted for the students of Bal Bhavan and Balika Mandiram. Volunteers have been taking classes on the various career options that they could pursue, how to get equipped for the same and basic knowledge on various things that happens all around us. Volunteers also spend their weekends for teaching students from such homes.

### **WOMEN'S DAY CELEBRATION**

**DATE** : 04/03/2018  
**VENUE** : MAHILAMANDIRAM  
**DURATION** : 3Hrs  
**CATEGORY** : COMMUNITY  
**NO.OF BENEFICIARIES** : 20

### **BRIEF REPORT**

A motivational talk for the inmates of MAHILA MANDIRAM at Karicode was organised by NSS TKMCE in association with Women's Day. The session was handled by Ms. Anjana, a proficient orator from Trivandrum.

She with her esteemed experiences in life ignited a spark in the minds of the inmates of Mahila Mandiram. The session was held from 11 am to 1 pm with 20 attendees. The session achieved its

prime objective which was to develop a positive and healthy outlook towards their life through her words. The inmates were really inspired and motivated with the talk..

## **SLATUM PENCILUM**

**DATE** : 06/03/2018

**VENUE** : BALABHAVAN, BALIKA MANDIRAM, AASRAYA, CHILDREN'S HOME

**DURATION** : 6Hrs

**CATEGORY** : COMMUNITY

**NO.OF BENEFICIARIES** : 150

## **BRIEF REPORT**

Albert Einstein has Rightly said, "Education is not the learning of Facts, it is the training of Minds to think ". Keeping this in mind the NSS Units and the IEI (Electrical Students Chapter) of TKMCE, jointly conducted a program under the title

'Slatum Pencilum' . The students of TKMCE visited the students at Aashraya, Balabhavan, Baalikhabhavan and Govt. CHildrens Home, Kollam, to conduct an innovative program, where they demonstrated basic Science Experiments to the students.. The children's were able to give their hands on various day to day experiments which explains the various Science Phenomena, to which they were only theoretically awared of till now.. Surely, this will not only make the students to remember the theories but it will also motivate them to make their minds to think for new

innovations. The program was conducted under the socio-technical event SPECULUM-18 of IEI (Electrical Students Chapter). The childrens enjoyed the noon filled with fun while understanding things without them knowing... !!

- **Notebook 2018**

**Notebook** was a new initiative taken up by NSS TKMCE during the month of April, in association with “**Sanchari - travel for fun**”, to catalyse the urge to learn in the children of our society and neighborhood who are less fortunate. This aimed at providing the children with all the supplements required for school so that the word 'School' brings a smile on their faces. The students of TKMCE enthusiastically participated in the drive, bringing in a plethora of articles - notebooks, pencils, pens, erasers, sharpeners, rulers, geometry boxes, water bottles, gluesticks, colour pencils, sketch pens, crayons, umbrellas, and even school bags - within a very short span of time. The efforts by NSS volunteers in the campaign was truly commendable.

# Inspiring students with a helping hand

'#Notebook' campaign by Sanchari Kollam unit has helped around 200 economically backward children

The collected kit being distributed to economically backward students

★ **Stani Simon**

It is said education should be made accessible and affordable to everyone. But we come across many children who can't even afford basic educational requirements such as books, pen, pencil. With a mission to help school students of poor families, the '#Notebook' campaign was founded two years ago by Sanchari Kollam Unit, an online community of trowlers.

They are supporting these poor families by providing the children books, bags, pen, pencil, umbrella and other school supplies as a kit. This is the third year of their initiative which is titled 'Notebook

Season 3' with the tagline 'With your child let them also smile'.

Last year they helped around 200 economically backward children with their initiative. This year, they have planned to supply study materials to school as well as college students. As part of this, they started collection boxes in educational institutions from February. Anshu, one of the members of the group, says, "To extend support to more children, we installed these boxes in supermarkets. But it wasn't a success. So we thought of engaging college students so it can reach more people."

The team has installed collection boxes in different parts of the district where people can donate school supplies. There are around

40 collection points so the public can donate. The team has been continuously working towards creating awareness among people so that they come forward and donate generously.

The collected items will be sorted out by the members to make kits, which will be distributed to students by the end of May. The initiative is managed by the district administrators of the group. In order to take their initiative further, they will soon be preparing a database of their volunteers who can work both offline and online, and contribute towards this initiative. The volunteers will be spread all across the state so that the school kit can be distributed to almost all the needy children.

**We will be preparing a database of volunteers who can work both offline and online, and contribute. The volunteers will be spread across the state so the kits can be distributed to all needy children**

- **April Cool**

The NSS volunteers of TKMCE took the initiative April Cool by Social Research Society (SRS) and planted new saplings at their houses. They took the initiative with the aim of planting at least one tree on April 1<sup>st</sup> to make our earth cool rather than making others April fool. This deed was actually an act to show that an occasion is not necessary to plant trees.

- **Workshop on Reuse of Plastic and Paper Waste recycling**

**The volunteers of NSS TKMCE had a class on craft making from plastic and paper waste for the inmates of Balikabhavan as a part of environmental day**

celebration. The young minds were surprised with curiosity when they realised different ways by which the waste turn out to be useful.

- **Planting Saplings on the Environment day**

NSS TKMCE in association with NIT Calicut as part of the promotion of their tech fest TATHVA'18, planted saplings in the college campus in the presence of Prof.Shahros H, Prof. Huda Abdul Salam, Prof.Lakshmi S Shaji, Prof.Imthias and Prof.Dili, announcing a campus wide culture of nature conservation on 5th of June 2018.

- **Swachata work at Adopted School.**

The volunteers of NSS TKMCE unit renewed Harijan School Kuttichira. About 50 volunteers took part in the event. The volunteers were engaged in various works throughout the day. They cleaned the classrooms, removed waste papers and arranged the furniture. They were also careful in sticking beautiful chart works in classrooms. Some of them were busy cleaning the outer walls of the school. Afterwards, they filled the walls with colorful and eye-catching artworks.

- **Swachh Bharat Summer Internship Orientation**

**As part of Swachh Bharat Summer Internship, the orientation for the students of TKMCE was held at college. The session was handled by Prof. Shahros H, which turned out to be beneficial to about 30 students who were to engage in this internship. He shared a hand full of ideas to students which they can successfully implement in their adopted panchayat to clarify the overall sanitation and hygiene there and thereby improve their living conditions.**
